MICHELLE CRAIG

HISTOPATHOLOGY

1 year

Hometown:

Lone Tree, CO

Major:

Animal Science with a
Pre-Veterinary
concentration

Expected Graduation:

Spring 2023

What do you like about working here?

This job has taught me stuff about Vet medicine I didn't know, and it was really cool when I was learning about something in class that related to what I was working on here.

What are your hobbies or something we don't know about you?

I like taking my dog for hikes and just started training him to run next to my bike off leash.

What are your future plans?

I want to become a small animal vet and possibly work at an animal shelter.
