

Hometown:

Laramie, WY

Major:

Biology

Expected

Graduation Date:

2023

Worked at the lab  
for 10 months

Works in:

Virology

# *WSVL Featured Student of the Month*

## *March 2020*

### Kellan Vasquez

What do you like about working at the lab?

I like learning things that I wouldn't learn in the usual classroom setting.

Hobbies/something we don't know:

I can speak Spanish and I am double jointed in my fingers.

Future Plans:

I plan to finish my bachelors and then apply for medical school. I want to make enough money to put my dad in a nice senior home.
