What do you like about working here?

I like being able to get extensive hands-on experience in the lab as well as firsthand insight into the critical role of testing for public health purposes.

What are your hobbies or something we don't know about you?

In my free time I really enjoy reading a good book and when I feel like going outside, I really like to go hiking and enjoying the outdoors.

What are your future plans?

My future plans are hopefully to attend vet school and work as a veterinarian at a zoo.
