

Hometown:

Durango, CO

Major:

Animal and
Veterinary
Sciences

Expected

Graduation Date:

May 2020

Worked at the lab
A little over a year

Works in:

Bacteriology

WSVL Featured Student of the Month

September 2018

Hannah Looman

What do you like about working at the lab?

I love the people I work with and getting to see/learn about the different kinds of bacteria that grow from different samples.

Hobbies/something we don't know:

I enjoy riding my horses and competing in ranch horse versatility shows. I also enjoy going on hikes with my dog, Bliss.

Future Plans:

I want to go to veterinary school and become a large animal veterinary surgeon.
