

# WYOMING STATE VET LAB FEATURED STUDENT OF THE MONTH

SEPTEMBER 2023  
MARY THOMAS

## VIROLOGY & CELL CULTURE

9 months

---

**Hometown:**

Gering, NE

---

**Major:**

Animal and Veterinary  
Science with a Pre-Vet  
Concentration

---

**Expected Graduation:**

May 2026

### **What do you like about working here?**

I like working here because I am able to get hands on experience early on in my education and that I get to apply what I am learning in the classroom. Also, I am always getting to learn new things that I'll be able to use later on in my career.

### **What are your hobbies or something we don't know about you?**

I really enjoy playing volleyball and being outside.

### **What are your future plans?**

To hopefully get accepted into vet school and then later graduate. And then after that begin practicing veterinary medicine.
