Expected Graduation:

May 2027

What do you like about working here?

I love getting hands on experience in an accredited lab and getting to know new people!

What are your hobbies or something we don't know about you?

I really love to paint and draw when I have time, be active outdoors, and if I'm inclined to be inside, reading is my vibe.

What are your future plans?

apply to vet school and work at a small animal hospital.
