**MACKENZIE JONES
SEPTEMBER 2026**

REGULATORY SEROLOGY

Worked here for: 1 year

Hometown:
Broomfield, CO

Major:
Animal Science, Pre-Veterinary
Medicine Concentration, Minor
in Agricultural Business

Expected Graduation:
May 2027

What do you like about working here?

I love all the people I've met working at the lab. I also love how fun it is to work here and getting to work with my friends every day makes it even better!

What are your hobbies, or something we don't know about you?

I have a yellow lab named Colt, and he is my best buddy. I also love anything outdoors, especially hunting, fishing, and football.

What are your future plans?

I plan to become a rural mixed animal veterinarian.
